

November 1st

Hi {FIRST\_NAME|GQCHCC Supporter},

Thanks to all who joined us in launching our MetroLink/GQCHCC Leadership Speakers series last Friday! It was a full house and very enlightening and educational.

Please remember, we still have a few events left this year. Here is a list of our November events:

- Day of the Dead/Dia de los Muertos-Tonight!
- Decision Focus Tools Seminar

Thank you for your continued support.

Alfred Ramirez  
President

Decision Focus Tools is a systematic process for problem solving and decision making that is based on the principles of logic and critical thinking. It provides essential tools to solve problems, make sound judgments and plan ahead-faster and more effectively.

During this workshop you will learn:

- Situation Analysis
- Problem Analysis
- Decision Analysis
- Risk Mitigation Analysis

Who Should Attend: Managers, Supervisors, Technical and Professional staff, who must solve problems, make decisions, or implement plans - anyone who manages or will manage a team or staff of 5-10 or more people, now or in the near future. A must for anyone involved in failure investigations, root cause analysis, corrective and preventive action.
