Family Ties Production/FTPsports/ihigh.com

Family Ties Production has been covering high school sports since 1994. We are looking for sponsors for the 2012-2013 high school sports season. We feel we are offering low fees for maximum exposure for our sponsors. Our games will put on cable and all of our web sites and at least 2 football games a week will be live audio. In the past we have actually covered 3-4 football games and a soccer and volleyball game each week. The possibility of even more exposure for your money is very good.

The first question that pops into your mind is "how will people know when to watch the games on cable?"

1. The games will be listed in the Argus/Dispatch and the Quad-City Times sports tv section.
2. All games and sponsors will be listed at all 6 of our web sites.

3. We will attempt to be on Quad-City sports Extra on WQAD CH. 8 every 2 weeks to promote our games and our web sites. That would give your businesses more exposure.

We feel this price of \$100 a month(\$200 season – 9 weeks) very reasonable for any size business, especially small businesses.

First is 4 mentions for each game we put on cable and add your business to our web sites or 4 commercial spots during each game.

We actually give free copies of the games to the participating schools. That also increases your business exposure in the community.

We hope that this price will give you some thought to support the kind of coverage we have been doing since 1994. We are looking forward for this to be our best year ever.
