

**Help others achieve the American Dream...becoming an American citizen!**

**Others like you desire to achieve their dream also...will you lend a helping hand?**

The Casa Quad Cities New Americans Initiative program is looking for volunteers to be citizenship class guides/coaches/teachers. There's no need to be a certified teacher, the instructors come from all different backgrounds and professions. Volunteers must just be able to go through an orientation class and use materials they are given to teach Lawful Permanent Residents (Green Card holders) the information necessary to pass the U.S. citizenship exam. There's particular need for an instructor on Tuesday evenings from 5:30-7:30 p.m. at Casa Guanajuato Offices (525 16<sup>th</sup> Street, Moline). Additional class times could be offered if suitable volunteers are secured. Consider volunteering as a team and help share the teaching times.

Although it's preferred that volunteers commit to at least three months, those who can't make the full commitment are welcome to apply for substitute positions. Anyone interested in applying can contact Michael Woods at 309.736.7727 or [mwoods@casaqc.org](mailto:mwoods@casaqc.org).
